2. The student must follow all school and board regulations regarding attendance, course responsibilities and behaviour.
3. The student must provide complete and accurate information. False information in the student's application may result in immediate dismissal from the Academic Island International Education Program without refund of tuition fees.
4. The student will use the homestay provided by Academic Island.
6. The student must attend all assigned classes unless unable by reason of illness or injury, in which case the student must provide a note for any absences. A Doctor's note may be required.

9. The student's information may be communicated by Academic Island to a student's parents and/or other appropriate officials, regardless of the student's age.
10. The student and his or her parent(s) agree to respect and abide by the host family's house rules.

15. The student's family may visit from their home country, but not until six weeks after the student's arrival in Newfoundland. If the student's family visits, they must make arrangements for their own lodging and not assume they can stay with the host family.

I certify that I understand the terms of enrollment in an Academic Island international education program is articulated through this Participation Agreement and understand that Academic Island reserves the right to terminate a student's participation in its program for violation of program rules and /or when a student's mental and/or physical health, as determined solely by Academic Island, are in jeopardy.
