We welcome applications for the September 2021 intake.

Important Information for Applicants

International students who plan to earn a Newfoundland high school diploma and then attend a Canadian college or university should note that it normally takes at least two full academic years to gain the competency in English and earn the necessary credits to meet Canadian college and university entrance requirements.

Application Process

1. Submit the Application Package documents by email or courier.
2. After a student has been accepted, Academic Island will issue the official Letter of Acceptance. Students require this official letter when applying for a Canadian study permit. After issuing the LOA, we assign the student to a homestay and register the student in one of our partner schools.

Canadian Study Permit

All students who intend to study in Canada for more than six months must apply for a Canadian study permit in their home country before coming to Canada. The processing time can take vary, depending on your home country. Please read [this information](#) from the Government of Canada.

Custodianship

International students under the age of 18 who live and study in Canada without a parent must declare a legal custodian who lives in Newfoundland. A custodian is a

Canadian citizen, or permanent resident of Canada, who takes legal responsibility of minor children.

Academic Island provides legal custodianship to international students registered in its program.

APPLY BY SENDING COMPLETE PACKAGE BY EMAIL OR SEND COMPLETE PACKAGE BY COURIER.

Complete the following forms and email to info@academicisland.ca or send by FEDEX to:
